

## **CDS Children's Classes Health & Safety**

### **Before entering the building, I will**

- Check I have received Children's Classes booking confirmation email.
- Read all guidance sent by Chisenhale Dance Space
- Research my journey to and from Chisenhale Dance Space

### **Upon arrival...**

- Arrive with only 1 parent/carer and a maximum of 5 minutes before class time
- Only enter the studio that your class will be taking place.
- Ask for help or advice if I need it

### **In communal spaces including corridors...**

- Wear face coverings over nose and mouth
- Follow the traffic flow system, allowing 1 person at a time to use the staircase
- Maintain social distancing with anyone outside my class/group/bubble
- Not gather in non-essential common areas including the lounge, kitchen or corridors
- Regularly use hand sanitising stations as you enter the building and outside each studio

### **When leaving...**

- After dropping off your child in the studio, please exit the building promptly
- Please only have 1 parent/carer collect your child a maximum of 5 minutes before class finishes.

### **I will let CDS know and I/my child won't come in if**

- I, or someone in my group, have a new, continuous cough
- I, or someone in my group have a high temperature
- I, or someone in my group have a change or loss of taste or smell
- The people I live with are unwell

### **After visiting...**

- To contact CDS staff immediately if I/my child develop symptoms related to COVID-19 and have recently attended class in the prior 7 days.

Please contact our Operations and Education Manager, Jessica at [jessica@chisenhaledancespace.co.uk](mailto:jessica@chisenhaledancespace.co.uk) if you have any further questions.

**Thank you for following these new instructions to keep us all safe and dancing together!**
